And 18 Mile Introductory Ride
◆ Saturday, April 22nd, 2017 ◆**

Liability Release and Authorization

This release must be signed and returned with your ride entry. No cross-outs or additions are permitted.

As a participant in a ride sponsored by the Old Dominion Endurance Rides, Inc., I agree to abide by the rules of AERC, ECTRA, and the Old Dominion Endurance Rides, Inc.

In consideration for permission to enter and participate in the Old Dominion No Frills ride, I do hereby for myself, my heirs and assigns, release and hold harmless ride management, ride personnel, John Crandell and Ann Mebane, all property owners over whose land the ride both encamps and crosses, AERC and ECTRA, their agents, officers, servants, employees and officials, from all claims, demands, actions and causes of action of any kind, for injury or death sustained by me or my horse, and damage to my property, incurred during this ride, arising from negligence or any other fault. "Ride" includes from the time I and my horse arrive at base camp until the time that we leave the premises, as well as the actual event. "Horse" means the animal(s) I am riding, driving, or have entered.

I understand that horseback riding is an inherently dangerous activity and am aware that 1) the ride involves being in areas for extended periods of time far from communications, transportation, medical and veterinary assistance; 2) that these areas have many natural and man-made hazards, which ride management cannot anticipate, modify, or eliminate; 3) that both my own horse and those of other contestants can be excitable, difficult to control and unpredictable, and can panic, bite, rear, kick, strike, stumble or fall; 4) that as a result of participating in the ride, I or my horse may be injured, die, or my property damaged.

I agree to take full responsibility for myself and my horse and for any other party or animal that accompanies me; I recognize that the ride is a strenuous activity and I represent that I and my horse are in adequate physical and mental condition to participate. I recognize that my participation in the ride is voluntary. I consent to a random drug test to be performed on my horse.

I understand that if the horse I am riding is pulled for metabolic reasons and requires treatment on-site or an additional recheck by a ride vet, this horse may not leave base camp until released by an authorized ride vet. Furthermore, I agree and authorize necessary and urgent treatment by a ride vet for a horse that I own, in the event this horse is ridden by another entrant and I am unable to provide explicit permission before or during the injury or illness event.

I HAVE READ AND UNDERSTAND THE ABOVE LIABILITY RELEASE, AND AGREE TO BE BOUND BY ITS TERMS AND CONDITIONS.

And 18 Mile Introductory Ride
◆ Saturday, April 22nd, 2017 ◆**

Introductory Ride Information

The introductory ride mirrors an actual endurance ride but is of a lesser distance (approximately 18 miles). You must arrive the day before, in order to vet in, and camp with your horse, to enjoy the full ride experience.

Vetting in your horse before the ride is now a requirement for an Intro ride. The vets leave for the away vet check at 7:30 Saturday morning so will not have time to vet in Intro riders the day of the ride.

Pre-registration and full payment postmarked on or before April 10th is required, so we can plan for the Intro ride.

Karen Wade, your group leader, will **meet with ALL Intro riders on Saturday morning at 930AM** to discuss the details of the trail, explain vet checks and other requirements of an endurance ride. You will then head back to your trailer to tack up your horse and warm up. The Intro ride will begin at 11 AM.

Helmets are required, and horses **must have hoof protection (shoes or boots) ON ALL FOUR FEET**. Shoes are preferred by ride management. But if you choose to use boots, **you must have used them prior to the ride**, to make sure they fit properly and will stay on your horse.

When you arrive at the away vet check you'll be shown crewing techniques and how to present your horse to the vets. Your horse will be vetted and cleared to continue at which point you will have a short 20 minute hold time. Hay and feed will be provided for your horse and a sandwich and water for you. You will probably be required to unsaddle and re-saddle your horse at the vet check so be prepared. At this point you will return to basecamp and receive a final vet check followed by a post ride meeting to answer any questions you might have.

Directions: Take I-81 to Exit 296 (located about 4 miles south of the interchange of I-81 and I-66) and turn west on Route 55 for approximately 12 miles. The road has some steep grades and curves, so be careful. As you come down a long straightaway, watch your speed and look for horse trailers on the hill to your right, along with turn ribbons just past this hill. Turn sharp right onto Capon Springs Road, a dirt road, and come uphill about 200 yards, then turn right at the old farmhouse and follow signs to park. (Please enter at the SECOND driveway)

For questions about the Introductory Ride, you may contact Karen Wade at kew@shentel.net or (540) 877-2371.
